WHAT IS THE MEMBER SATISFACTION STUDY?

Knights of Columbus Supreme Council, in partnership with the Catholic Leadership Institute (CLI), one of the country's premier Catholic research firms, is conducting a **multi-year study of the overall satisfaction and experience of our members**, starting with an initial **online questionnaire**. Specifically, we want to know about how membership in the Order aligns to your personal, spiritual and financial journey.

WHO SHOULD PARTICIPATE?

Every brother Knight is encouraged to participate, no matter how long you have been a member. We want to hear from first-year members, current officers, honorary life members and everyone in between.
